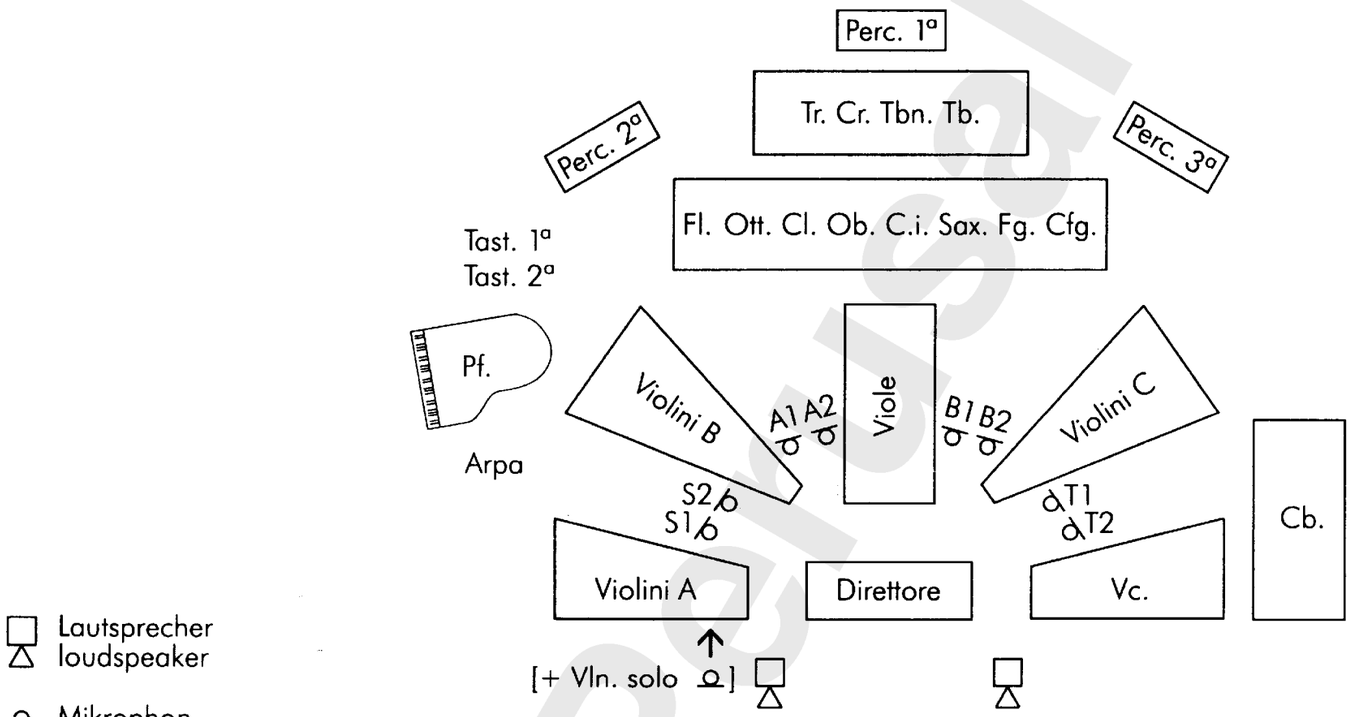
Nella partitura gli strumenti sono scritti in suoni reali (l'ottavino suona un'ottava sopra, controfagotto e contrabbassi un'ottava sotto).

Die Partitur ist in C geschrieben (kleine Flöte klingt eine Oktave höher, Kontrafagott und Kontrabässe eine Oktave tiefer).

The score is written in C (piccolo sounds one octave higher, double bassoon and double basses sound one octave lower).



NB: Das Podium für den Dirigenten muß etwa 85–100 cm hoch sein. Das Mischpult soll mit sechs separaten Lautstärkereglern und einer Hauptsteuerungskontrolle ausgestattet sein und inmitten des Publikums aufgestellt werden.
Die Sänger sollen ohne Vibrato singen und ihre Lautstärke unter keinen Umständen größer sein als die Lautstärke des Orchesters. Die Vokalisten bilden einen Teil des gesamten Ensembles, KEINE SOLOGRUPPE, die vom Orchester begleitet wird.
Es ist unbedingt notwendig, die Violinen C hinter allen anderen Spielern zu plazieren und die drei Schlagzeuggruppen so weit wie möglich voneinander entfernt aufzustellen.
Im 3. Satz bestehen folgende Möglichkeiten, die Solovioline leicht zu verstärken: von 7 T. vor B bis C; von 10 T. nach C bis 4 T. vor D; von 2 T. nach E bis 8 T. nach E; von W bis X. Im 5. Satz von 3 T. nach D bis 3 T. vor E: von 1 T. vor F bis 4 T. nach F.

NB: The platform for the conductor must be 2½ to 3 feet high. The mixing console should contain six separate faders and one master gain and should be situated in the audience.
The singers must be able to sing without vibrato. The overall volume of the vocal group should never overpower the orchestra: it is a vocal group among instrumental groups, NOT ACCOMPANIED by an orchestra.
It is essential to place violins C behind all other players and to keep the three percussion groups as far apart as possible.
In the 3rd movement the solo violin can be slightly amplified from 7 measures before B to C; from 10 meas. after C to 4 meas. before D; from 2 meas. after E to 8 meas. after E; from W to X. In the 5th movement from 3 meas. after D to 3 meas. before E; from 1 meas. before F to 4 meas. after F.
